

*Birds sing after a storm. Why shouldn't we?*

*all over the world*

*I will write peace on your wings and you will fly*

*Intelligence without ambition is a bird without wings.*

*A bird in the hand is a certainty, but  
a bird in the bush may sing!*

If I keep a green bough in my heart

The songing bird will come

*God gives every bird his wisdom, but He does not throw it into the nest.*

*The higher we soar,*

*the smaller we appear to those who cannot fly.*

The white must lead before  
the bird can fly
